

# Teardown Ministry Youth Helper

The heart involved: A desire to serve in practical ways and to bless our landlord.

Scheduling details:

- Ministry Scheduler will poll for availability for each two-month cycle and will generate schedule.
- Contact the Teardown Coordinator if you are unable to serve when scheduled.

The practical tasks involved:

- Report in to the teardown worker fifteen minutes after the worship service is over; meet in the multi-purpose room; the teardown ministry adult worker is listed on the ministry schedule.
- Assist the teardown worker by going room by room, bringing church items back to the storage room, cleaning up, etc. The teardown ministry adult worker will have a teardown task checklist to follow room by room.
- Our goal is to leave each room in good order (in many cases better than we found it).

Contacts: See bulletin for Teardown Coordinator and Ministry Scheduler;

See the ministry schedule on the Information Table for the teardown ministry adult worker to assist.
